Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Mr. Meisarosh discussed with The Examiner possible amendments to claim 1 to overcome the prior art of record. The Examiner suggested some possible ways to clarify the limitation and informed Mr. Meisarosh that proposed amendment overcame the current rejection. Mr. Meisarosh also discussed the "has been calculated" limitation of claim 21 and argued that this limitations was not taught by the prior art. It was discussed possibly changing the limitation to "has previously been calculated" and moving the limitation out of the preamble to further clarify and give more emphasis to the limitation. The Examiner argeed with Mr. Meisarosh that the limitation was not taught by the prior art.
